

Summer Kick-off Vendor Information

Thank you for your interest in being a vendor at our Summer Kick-off! We are so proud of this event, and the joy it has brought our library. So, you want to be a vendor? Here is what you need to know.

Participation

This event is geared specifically toward our children, tweens, and teens in our area (ages 0-18). Whether they visit the library or not, this kick-off is for them. We encourage them to visit each of the vendors and see the fun things you have to offer for them for the summer, the year, etc.

Community Attendance

This event in the past has served 450+ participants in the 0-18 age group and has increased each year. This number does NOT include guardians or parents that also come with their kids.

Booth Participation

We love our vendors and the fun that they bring to this event. Our library is very picky about making sure that the vendors that do attend have something to offer the demographic we are targeting. So if you think you will be a good fit and have a program, service, or information to help ages 0-18 WE WANT YOU!

- **Registering as a Vendor:**

To register as a vendor please do one of the following:

Fill out the Google Form on the "Summer Kickoff" page located at:

<https://www.nephi.utah.gov/636/Summer-Kick-Off>

OR

Email an inquiry to: library@nephi.utah.gov

- **Booth Requirements:**

- Vendors must have a program or service that is designed for youth ages 0-18.
- Activities that relate to your organization are **STRONGLY** suggested (i.e. fair games, coloring books, Summer Kickoff Theme activities, etc.)
- Ability to bring your own table, chairs, and canopy (we are outside in the park).
- A strong desire to serve the Nephi City and surrounding areas youth.
